**Help Wanted - Environment Committee**

Our Environment Committee lovingly creates a reverent, prayerful environment by tending to floral arrangements and green plants in our church sanctuary and foyer so our faith community can give proper praise and glory to God. We would love to welcome new members on our committee. Have you always wanted to learn about plants but haven't had time? No worries - we can teach you! Members usually are scheduled to serve once a month. It takes an hour or so to check to see which plants need to be watered, remove wilted flowers, spruce up arrangements, etc. Also, committee members come altogether seasonally to help decorate the sanctuary for liturgical seasons such as Advent, Christmas, Lent and Easter. It is so fitting to give thanks for the glory of God's creation by arranging these precious gifts in our worship space. We hope you will join us! For more info or to help, please call Kay Lee 869-4413.

If you are not able to help with the committee but wish to donate flowers on a particular weekend in memory of a loved one, please contact Anna Provenza in the parish office.
