It is 24 sessions and the 2<sup>nd</sup> in the three part foundational study following the Great Adventure Bible Study. *Matthew* demonstrates how the promises and prophecies of the Old Testament are fulfilled in Christ, who establishes a New Law and inaugurates the Kingdom of Heaven on earth. Participants will see Jesus as the awaited Messiah who relives the life and struggles of Israel to become the faithful and victorious King. Set in the rich context of Jesus' Jewish culture, this study will help us understand who Jesus is and what his life and teachings mean for us today. Learn how these ancient truths contain the promise of peace, joy and happiness for our lives. Don't miss this opportunity to take part in a compelling and inspiring learning experience that is sure to draw you closer to Christ through a deeper understanding of the teachings of His Church.
